Refugee Trauma Healing Project

O God, listen to me. Hear my voice.
My Lord, where are you?
You have been my rock, my stay,
My place in the darkness.
Why have I lost the story of my life?
Why is my heart bleeding?
Why has death obliterated witness of the past?
The psalmist's words resound in my mind
"My days are always before me" and "Before
"The past is always before me."
O Lord, do not abandon me. Do not leave me in this abyss.
Bring light to cast out my grief and broken to heal
my wounded heart.
In my prayers, I will thank you forever; for how you have
repaired my trust in you; for your constant support and
presence; for drying my tears.

Thank You Rotary!

Thank you to
